

Before Starting the Project Listings for the CoC Priority Listing

The FY 2016 CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be submitted prior to the CoC Program Competition deadline as required by the FY 2016 CoC Program Competition NOFA.

The FY 2016 CoC Priority Listing includes the following:

- Reallocation forms – must be fully completed if the CoC is reallocating eligible renewal projects to create new permanent housing – permanent supportive housing or rapid rehousing, new HMIS, or new SSO specifically for Coordinated Entry projects.
- New Project Listing – lists all new project applications created through reallocation and the permanent housing bonus that have been approved and ranked or rejected by the CoC.
- Renewal Project Listing – lists all eligible renewal project applications that have been approved and ranked or rejected by the CoC.
- UFA Costs Project Listing – applicable and only visible for Collaborative Applicants that were designated as a Unified Funding Agency (UFA) during the FY 2016 CoC Program Registration process. Only 1 UFA Costs project application is permitted and can only be submitted by the Collaborative Applicant.
- CoC Planning Project Listing – Only 1 CoC planning project is permitted per CoC and can only be submitted by the Collaborative Applicant.
- Grant Inventory Worksheet (GIW) – Collaborative Applicants must attach the final HUD-approved GIW.
- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- All new and renewal projects must be approved and ranked or rejected on the Project Listings.
- Collaborative Applicants are responsible for ensuring all project applications are accurately appearing on the Project Listings and there are no project applications missing from one or more Project Listings.
- Collaborative Applicants are strongly encouraged to list all project applications on the FY 2016 CoC Ranking Tool located on the FY 2016 CoC Program Competition: Funding Availability page on the HUD Exchange as this will greatly simplify and assist Collaborative Applicants while ranking projects in e-snaps by ensuring no rank numbers or duplicated and that all rank numbers are consecutive (e.g., no missing rank numbers).
- If a project application(s) is rejected by the CoC, the Collaborative Applicant must notify the affected project applicant(s) no later than 15 days before the CoC Program Competition application deadline outside of e-snaps and include the reason for rejection.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason after ranking has been completed, the ranking of other projects will not be affected: however, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND re-rank the project application BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

However the Impartial Review Committee was not convinced that the reallocation should go to CARE 66 and instead reallocated the money to different new projects. CARE 66 was informed of this decision on August 10, 2016. CARE 66 appealed the decision but the committee set up to consider appeals agreed that the reallocation should go to different new projects.
